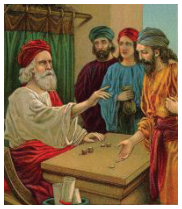
Thirty-Third Sunday in Ordinary Time

"Well done, good and trustworthy slave...I will put you in charge of many things; enter into the joy of your master." Matt 25:23



The parable of today (cf. Mt 25:14-30) invites us to reflect on two journeys: the journey of Jesus and the journey of our lives.

"In the journey of Jesus we are reminded of Christ's own journey, in His incarnation, resurrection and ascension into Heaven. Before departing for Heaven, Jesus left us His wealth - He left us Himself in the Eucharist. He left us His words of life. He gave us His holy Mother to be our Mother, and He distributed the gifts of the Holy Spirit so that we might continue His work on earth. Jesus lived for us - for our sake. That was the purpose of His journey in the world, before His return to the Father.

What path will we take in our lives? Will we take the path of Jesus or the path of selfishness? The parable tells us that, according to our own abilities and possibilities, each of us has received certain "talents". These are the Lord's gifts which Christ left to us when He returned to the Father. Included in this is the gift of the Holy Spirit. We have received from the Lord the gift of His love and we are called to become a gift for others. If we do not spread love all around us, our lives recede into the darkness.

Let us not bury the wealth of the Lord! Let us spread the wealth of charity, share our bread and multiply love!"

World Day of the Poor – Nov. 15, 2026

"The Lord is the refuge of the poor (cf. Ps 14,6)" *In a message for this year's observance, the Pope draws on Psalm 14. Once again, we must return to the Word of God to reaffirm the importance of the poor in the life of the Church. We wish to bear witness that it is possible, even today, to experience the same joy by putting ourselves in the shoes of the poor and listening to them rather than merely speaking about them. Are we a sign of a God who is a refuge for the poor? Are we aware of our own poverty, and do we prefer it to unjust wealth? Do we go where the poor are, experiencing their marginalization? Do we listen to their thoughts and share their hopes?*
